TO : MEMORANDUM FOR THE RECORD

DATE: 27 June 1952

FROM :  25X1A

SUBJECT: Use of Clocks in Connection with Time Studies

In connection with research done on the use of time recorders for attendance purposes (see memorandum to Chief, Administrative Service, dated 27 June 1952), it was deemed advisable also to supplement the study into the legislative restrictions on time studies in the Federal Government, done by the Bureau of the Budget on May 18, 1945. This is in progress and will be completed in the near future.
